How did you hear about volunteer opportunities?

What do you expect to gain by volunteering?

What skills can you bring to Natural Resources?

Availability and Hours per month:

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Mornings							
Afternoons							

Select up to 3 volunteer projects which interest you most. This will not prevent you from volunteering in the other projects, but will help us during the volunteer orientation.

What medical, health or other information should we be aware of?

The Calvert Stewards volunteer program provides an opportunity for public service in education, research, and stewardship which support the overall missions of the Calvert County Division of Natural Resources and the Calvert Nature Society. This benefits the participants, the parks and the community as Calvert Stewards use and develop their skills to form an environmentally aware community and become the environmental stewards of Calvert County. We also encourage youth and families to volunteer for projects to create a pipeline of engaged citizens that will continue their involvement in the parks into adulthood.
